Executive Summary

An online investment fraud ring operating through Telegram channels targets residents of Vijayawada, Guntur, and Visakhapatnam districts in Andhra Pradesh with a promise of daily returns on investments made via UPI transfers. Collecting amount is estimated to be Rs 2.3 crore routed through cryptocurrency wallets to evade detection. Crypto scams have been flagged targeting Indian investors through various online platforms.

Key Findings

- Online investment fraud ring using Telegram channels operates in AP with a promise of daily returns.
- Amount collected via UPI transfers is estimated at Rs 2.3 crore.
- Crypto wallet linked to the fraudulent schemes contains funds equivalent to over Rs 2 Crore.
- Investment scams primarily target residents of Vijayawada, Guntur, and Visakhapatnam districts.

Recommendations

- AP CID Cyber Wing should continue monitoring and investigating the fraud ring
- RBI's warning against unlicensed digital lending applications should be strictly enforced
- Coordination among AP Police DGP office, CID, and local Cyber Wing for a coordinated crackdown
